QUESTIONS AND ANSWERS

1. **Question:** Per the LOI instructions, Chapter 1 must include a “statement of whether firm is on register.” What registration does this refer to?

Answer: Consultant teams must provide a statement confirming they are registered and prequalified with NCDOT to perform the work codes required for this project. The NCDOT directory of prequalified firms and their work codes can be found [here](#).

2. **Question:** Regarding the instructions for Chapter 3, must all employees assigned to the project reside in North Carolina?

Answer: No - all employees do not need to reside in North Carolina.
