

Durham County's response to COVID-19

Major Accomplishments

- Connected farmers and food sources with agencies that could store and disseminate the item
- Connected agencies with grant opportunities; assisted with grant writing
- Created volunteer portal to connect volunteers with agencies
- Assisted agencies with Food and COVID-19 safety protocols
- Created an online interactive map of food agencies

Major Accomplishments

- Assisted with plan to reopen farmers markets; created farmers market workgroup
- Created, funded and executing plan to provide food insecure households testing positive for COVID-19 with food and supplies
- Securing food to provide at testing sites
- Coordinated funding for meals for seniors and Latinx community with Board of Commissioners
- Secured funding for a new food security/policy position
