Project Description and Requested Services

The Central Pines Regional Council (CPRC) is accepting subcontractors' proposals for a home energy improvement project under the North Carolina Energy Division's Weatherization Assistance Program. The program is administered through the NC Department of Environmental Quality (DEQ). The contract requires the weatherization of homes across Region 3 of the state plan (see image below) which includes Chatham, Lee, Harnett, Orange, Johnston, Wake, Durham, Person, Granville, Vance, Warren, Franklin, Nash, Wilson, and Edgecombe counties, during the period of July 1, 2026 through June 30, 2029. During the course of this project, subcontractors are required to perform energy saving measures in customers' homes

This specific project aims to address weatherization deferral conditions and provide weatherization services for eligible households in accordance with Program Guidance, NCDEQ SEO State Plan, North Carolina Weatherization Assistance Program Standard Operating Procedures, North Carolina Standard Work Specifications, North Carolina Health & Safety Plan, and regulations.

CPRC is requesting proposals from interested parties who are properly licensed contractors in the State of North Carolina in the following individual trades: Shell

CENTRAL PINES
REGIONAL COUNCIL

4307 Emperor Blvd, Suite 110
Durham, NC 27703
919-549-0551
centralpinesnc.gov

Contractors submitting proposals must include in the proposal package: contractor information sheet, a copy of the business license, trade certification and training, and proof of Worker's Compensation, General Liability, Automobile, and Pollution Occurrence Insurances. Contractors will be notified of proposal award; contingent upon final approval from the NC Department of Environmental Quality (DEQ).

A firm will be selected through this RFP process based on their proposal, interview (if deemed necessary), and qualifications/experience. Experience working with federally funded energy-efficiency, weatherization, and home rehabilitation projects will be taken into consideration when scoring.

MINORITY, WOMEN AND DISABLED-OWNED BUSINESSES ARE ENCOURAGED TO PARTICIPATE IN THE PROPOSAL PROCESS.

INTRODUCTION AND PURPOSE

PURPOSE OF THE REQUEST FOR PROPOSALS: The purpose of this document is to provide interested parties with information to enable them to prepare and submit a proposal for Weatherization Services. Central Pines Regional Council (CPRC), working in conjunction with the NC Department of Environmental Quality (DEQ), intends to use the results of this process to award a contract for Weatherization Services.

REASONABLE ACCOMMODATION: CPRC will provide reasonable accommodations, including the provision of informational material in an alternative format, for qualified individuals with disabilities upon request. If you think you need accommodations at a proposal opening/vendor conference, contact the CPRC.

SCOPE: CPRC intends to utilize this proposal for all purchases through June 30, 2027; however, CPRC may bid out single jobs on an as-needed basis when deemed in the best interest of CPRC and the State.

OVERVIEW OF PROCURING AGENCY: CPRC performs local administrative and executive functions for the Weatherization Assistance Program in the following counties: Chatham, Lee, Harnett, Johnston, Orange, Wake, Durham, Person, Granville, Vance, Warren, Franklin, Nash, Wilson, and Edgecombe

CENTRAL PINES
REGIONAL COUNCIL

4307 Emperor Blvd, Suite 110
Durham, NC 27703
919-549-0551
centralpinesnc.gov

CONTRACT LENGTH: The contract will be for a one-year period, July 1, 2026 through June 30, 2027, with an option to extend yearly based on performance.

METHOD OF AWARD: The award will be given to the contractor(s) whose proposal(s) are the most responsive to the solicitation, and is the most advantageous to CPRC, considering price, quality, and other applicable factors including but not limited to experience, service record of the vendor, and required education/training/credentials of the vendor. Multiple contractors will be used to complete the contract. Any and all proposals may be rejected when it is in the agency's best interest to do so. The lowest proposal will not always be accepted.

CANCELLATION and TERMINATION: CPRC reserves the right to cancel the resulting contract/agreement, for any reason, by giving written notice to the Contractor of such cancellation and specifying the effective date thereof, at least ten (10) days before the effective date of such cancellation. Contractor shall, in the event of cancellation, be entitled to receive compensation for any work accepted hereunder in accordance with the Agency's order(s). Contractor may also be compensated for partially completed work in the event of such cancellation. The compensation for such partially completed work shall be no more than the percentage of completion of said work, as determined at the sole discretion of CPRC, times the corresponding payment for completion of such work as set forth in the Agency's order(s).

METHOD OF SUBMISSION: Responders must submit a digital or physical copy of all materials required for acceptance of their proposal to: Central Pines Regional Council, Attn: Jillian Hall, jhall@centralpinesnc.gov., 4307 Emperor Blvd, Ste 110, Durham, NC 27703. The last day to submit a proposal will be Friday November 6th, 2026. All proposals must be electronically time stamped by email, or received by an authorized representative at CPRC prior to the proposal closing time. Proposals not so time stamped or received by a CPRC representative will be considered late.

INQUIRIES: All inquiries concerning this Request for Proposals (RFP) will be submitted via e-mail to: Jillian Hall, jhall@centralpinesnc.gov. During the procurement process, prospective subcontractors shall direct any inquiries to the e-mail address provided. In no case shall oral communications take precedence over written communications.

AMENDMENTS TO THE RFP: If a change to the RFP solicitation (i.e. scope of work, pricing schedules, etc.) becomes necessary after it has been issued, a written

4307 Emperor Blvd, Suite 110
Durham, NC 27703
919-549-0551
centralpinesnc.gov

amendment will be issued to all prospective subcontractors. The amendment will formally detail each change, however all terms and conditions which are not modified remain unchanged.

PROPOSAL ACCEPTANCE: Proposals which do not comply with instructions or are unable to comply with specifications contained in this RFP may be rejected by CPRC. CPRC may request reports on a subcontractor's financial stability and if financial stability is not substantiated may reject a subcontractor's proposal. CPRC retains the right to accept or reject any or all proposals, and accept or reject any part of a Proposal deemed to be in the best interest of CPRC. CPRC shall be the sole judge as to compliance with the instructions contained in this RFP.

PROPOSAL EVALUATION: Proposals will be evaluated by assigned CPRC staff to verify that they will meet all specified requirements in this RFP. This verification may include requesting reports on the subcontractor's financial stability, conducting demonstrations of the vendors' proposed product(s) and/or service(s), and reviewing results of past awards to the subcontractor by CPRC.

All proposals properly received before the deadline will be evaluated by a Review Committee based on the following criteria:

Evaluation Criteria	**(a) Weight**	**(b) Score 1- 5**	**(a) x (b) Weighted Score**
Details capacity and ability to provide requested scope of services	35%		
Describes qualifications, experience, and required licenses and certifications of staff	30%		
Outlines ability to accommodates the project's needs	15%		
Proposed prices and cost reasonableness	20%		
Total	**100%**		

CENTRAL PINES
REGIONAL COUNCIL

4307 Emperor Blvd, Suite 110
Durham, NC 27703
919-549-0551
centralpinesnc.gov

Proposals will be evaluated using a standardized scoring system. Each criteria component will be assigned points ranging from 1 – 5 according to the extent to which the proposed system meets the stated requirements. The points will be assigned as follows:

- 5 points: Fully meets
- 4 points: Meets with minor gaps (no compromise required)
- 3points: Meets with moderate gaps (some compromise required)
- 2 points: Partially meets significant gaps (compromise required)
- 1 point: Does not meet

The points for each criteria component will be multiplied by the percentage weight listed above and totaled. The firms will be ranked, and interviews will be scheduled with the top- ranked firms, as deemed necessary. The firm selected as the most qualified to provide the requested services will be invited to negotiate a final contract agreement.

NOTIFICATION OF INTENT TO AWARD: Any subcontractor who responds to this RFP with a proposal will be notified in writing of CPRC's intent to award the contract(s) as a result of this RFP. After a notification of the intent to award is made, and under the supervision of agency staff all copies of proposals will be available for public inspection between 8:30 am to 4:00 pm. Subcontractors can schedule reviews with the authorized CPRC representative to ensure that space is available for the review.

PROTEST PROCEDURES:

PURPOSE: To provide specific actions which will be taken should a protest be filed by an unsuccessful subcontractor.

Protester Procedures:

a. File a written complaint using the agency specified format within ten (10) working days after notice of rejection.

Contract Coordinator:

b. Notify subcontractor that a complaint of protest has been filed.

Administration:

4307 Emperor Blvd, Suite 110
Durham, NC 27703
919-549-0551
centralpinesnc.gov

c. Schedule the meeting of protest committee to review complaint. Protest Committee. Conduct meeting to evaluate protest within ten (10) working days of the filing of the receipt of protest.
d. Record minutes of evaluation of protest committee meeting.
e. Issue a decision to agency administration within five (5) working days of the meeting of the protest committee.
f. Notify protester of the decision of the protest committee.

ADDITIONAL INFORMATION: Protest format will contain the following: a. Notice of protest and specific reasons for filing the protest. b. Statement stating this is a protest letter. c. A detailed statement of the grounds for protest. d. A specific request for a ruling by the protest committee and a statement of the relief requested. *If this information is not furnished, CPRC may refuse to consider the protest. Protests must be submitted in writing. The individuals who sit on the protest committee must be identified in writing prior to commencement of all procurement activities. The contract coordinator and program director should not be involved in the protest procedures other than to provide technical support to the protest committee.

Scope of Services: The Subcontractor agrees to provide the services and materials referenced below. All services must be in accordance with the *North Carolina Weatherization Installation Standard Work Specifications*.

1. After gross air leakage (and ducts) are sealed, use the blower door and digital manometer to guide air sealing measures. Interim Readings Diagnostics must be used and submitted with the invoice when performing the following measures:
2. Air sealing plumbing, electrical, and HVAC penetrations through ceilings, flooring and exterior walls with polyurethane foam;
3. Patch sheet rock on exterior wall to include tape and mud to a ready to paint finish;
4. Patch holes in flooring and ceilings using existing type materials if possible;
5. Wrap water heater tanks with external insulation blanket in accordance with the NC Weatherization Installation Standards;
6. Use blower machine to add insulation up to a R38 value (or R30 value if Weatherization Assistant justified) in attics using the manufacturer's bag estimation method. The number of bags used must be included on the invoice

4307 Emperor Blvd, Suite 110
Durham, NC 27703
919-549-0551
centralpinesnc.gov

submitted to the agency. Attics must contain depth makers, junction box flags, wind baffles, and an MSDS for the product;

7. Use insulation blower machine to add fiberglass insulation to the roof cavities of mobile homes. Roof cavities with bowstring, flat, or cathedral styles shall be filled with insulation to capacity. Any access holes created must be sealed in accordance to the NC Weatherization Installation Standards;
8. Use insulation blower machine (rated at to output at least 2.9 pound per square inch) that is capable to dense pack sidewall insulation to a minimum density of 3.5 pounds per cubic foot of volume;
9. Seal accessible ducts, returns, plenums, connections, and boots with mastic and mesh tape resulting in a reading of no more than one Pascal;
10. Insulate ducts located outside the condition space with R-8, foil-faced duct insulation;
11. Install low-flow showerheads, aerators, and compact fluorescent lamps;
12. Replace broken window panes;
13. Install opaque, 6-millimeter polyethylene vapor barriers in crawl spaces of site built of modular homes. The seams of each piece must be overlapped 12 inches. The vapor barrier must extend 6 inches up the foundation wall, mechanically fastened;
14. Insulate floors with fiberglass batt insulation to R-19 value. The insulation must be supported by insulation staves or nylon thread no less than 28 inches;
15. Insulate the belly of mobile homes by filling belly to capacity with fiberglass insulation. The belly shall hang no more than 24 inches from the bottom of mobile home subfloor. Any access holes created must be sealed in accordance to the NC Weatherization Installation Standards. Minor rips and tears shall be patched to ensure that the insulation is properly secured;
16. Replace the belly of the mobile home then insulate the belly of mobile homes by filling belly to capacity with fiberglass insulation. The belly shall hang no more than 24 inches from the bottom of mobile home subfloor. Any access holes created must be sealed in accordance to the NC Weatherization Installation Standards; and
17. Install windows, storm windows and doors and instructed by the work order.

RFP Checklist

1. The following forms must be completed and submitted with the proposal in accordance with the instructions noted on the front cover sheet of the RFP: Subcontractor Information – Attachment 1, Subcontractor References – Attachment 2, Business Licenses , Sample of Company Invoice, Trade Certifications & Trainings, Proof of Insurance in the following categories:

    a. Worker's Compensation – The Subcontractor shall provide and maintain Worker's Compensation Insurance as required by the laws of North Carolina, as well as employer's liability coverage and minimum limits of $300,000.00, covering all of Subcontractor's employees who are engaged in any work under the contract. Sole proprietorships and partnerships with less than three (3) employees, in addition to the sole proprietor or partners, are not required to have Worker's Compensation.

    b. Commercial General Liability – General Liability Coverage on a Comprehensive Broad Form on an occurrence basis in the minimum amount of $100,000.00 Combined Single Limit of Limit. (Defense cost shall be in excess of the limit of liability.)

    c. Automobile – Automobile Liability Insurance, to include liability coverage, covering all owned, hired and non-owned vehicles used in performance of the contract. The minimum combined single limit shall be $500,000.00 bodily injury and property damage; $500,000.00 uninsured/under insured motorist; and $1,000.00 medical payment

    d. Pollution Occurrence Insurance – Liability insurance to protect against incidental disturbances of environmental pollutants like lead-based paint dust. The policy must provide three basic limits - $500,000 per occurrence; $500,000 aggregate for the policy term; and $2,500 deductible per occurrence. Providing and maintaining adequate insurance coverage is a material obligation of the Subcontractor and is of the essence of this contract. The

4307 Emperor Blvd, Suite 110
Durham, NC 27703
919-549-0551
centralpinesnc.gov

Subcontractor may meet its requirements of maintaining specified coverage and limits by demonstrating to the Contractor that there is in force insurance with equivalent coverage and limits that will offer a least the same protection to the Contractor. All such insurance shall meet all laws of the State of North Carolina. Such insurance coverage shall be obtained from companies that are authorized to provide such coverage and that are authorized by the Commissioner of Insurance to do business in North Carolina. The Contractor shall at all times comply with the terms of such insurance policies, and all requirements of the insurer under any such insurance policies, except as they may conflict with existing North Carolina laws or this contract. The limits of coverage under each insurance policy maintained by the Subcontractor shall not be interpreted as limiting the Subcontractor's liability and obligations under the contract.

Applicant Minimum Requirements:

- Eligible applicants include non-profit and for-profit development entities. "Non- profit" means having a 501c (3) tax exemption notice from the IRS.
- Applicants must have experience with the delivery of weatherization services to low-income households, as specified in this RFP.

QUALIFICATIONS AND SELECTIONS

Firms qualified to provide rehabilitation services will be selected based on demonstrated competence and qualifications for the type of professional services required, including the following criteria:

- The person/firm must have experience in performing satisfactorily services on similar projects providing rehabilitation and construction management services.
- The person/firm must have adequate experience and staff capacity to perform the work required.
- The person/firm's proposed time schedule for the work and its history of meeting time schedules on prior similar work. *All weatherization services be delivered by June 30, 2027.*
- All applicable licenses and qualifications required by the State of North Carolina for their specific trade, including General Contractor license number and Lead Renovation, Repair, and Painting (RRP), If applicable.

QUESTIONS AND CLARIFICATIONS

Please submit questions via email to Jillian Hall, jhall@centralpinesnc.gov and in the subject line note "NC Weatherization Assistance Program". Deadline for written questions and clarifications is October 23rd, 2026, at 5:00 p.m. Only written questions will receive responses, which will be posted on CPRC's website here: Central Pines Regional Council Requests for Proposals

NON-DISCRIMINATION REQUIREMENTS

It is the policy of CPRC to ensure that no person shall, on the grounds of race, color, national origin, limited English proficiency, income-level, sex, age, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any CPRC program or activity, including, where applicable, religion, as provided by Title VI of the Civil Rights Act of 1964 and other pertinent nondiscrimination authorities.
